2. For an electronic ballot for a resolution to decide whether to cancel or postpone a championship that is already scheduled to take place, an eligible nation has the same meaning as in 7.7.1.1, but also includes any nation which has registered to take part in the championship the subject of the resolution.
2. Each eligible nation shall give to the Executive an email address for an authorised representative of that nation (“the authorised email address”), and shall update that email address from time to time if the authorised email address changes.
3. The Executive may propose for an electronic ballot any resolution that could be passed by the Tournament Committee at a meeting of the Committee, including changes to the Rules.
4. The Executive must propose for an electronic ballot any resolution where at least two eligible nations have asked the Executive to propose it.
5. At least three weeks before an electronic ballot is to take place, the Executive must send to the authorised email address of each eligible nation notice of any resolution to be proposed. The notice must state:
 1. the text of the resolution,
 2. who moved it,
 3. (in the case of a resolution under 7.7.4) which nations asked the Executive to propose it,
 4. the period during which the electronic ballot is to occur, and
 5. the Executive email address to which the ballot must be sent, or the address of the secure online form approved under 7.7.7
6. An electronic ballot takes place for a period of not less than 24 hours and not longer than 72 hours, measured at the place of the Executive email address (“the electronic ballot period”).
7. During the electronic ballot period, an eligible nation may cast its vote on each resolution either by email sent from its authorised email address, or by a secure online form approved by the Executive access to which is only available by use of the authorised email address.
8. At the end of the electronic ballot period, the Executive shall count the number of votes.

9. (Except for a resolution to amend the Rules, or to decide whether to cancel or postpone a championship that is already scheduled to take place), a resolution is passed by electronic ballot if a majority of eligible nations who submitted votes in the electronic ballot voted yes.
10. For a resolution to amend the Rules, or to decide whether to cancel or postpone a championship that is already scheduled to take place, a resolution is passed by electronic ballot if at least two thirds of eligible nations who submitted a “yes” or a “no” vote in the electronic ballot voted yes.
11. For a resolution to amend the Rules, the electronic ballot period must start no less than 60 days prior to the start of the next Championship.
12. As soon as possible after the Executive has counted the votes, it shall send a notice to the authorised email address of each eligible nation the result of the vote on each resolution.
13. If the Tournament Committee is voting on an issue for which a two-thirds majority is not required, in the event of a tied vote the casting vote shall be made by the Chairperson of the Tournament Committee Executive, or the Acting Chairperson (as outlined in 7.4.) in the event that the Chairperson is unable to do so.

8. The Tournament Committee Executive

1. There shall be a Tournament Committee Executive for the term between each Championship.

 4. six members, elected by the Tournament Committee.
3. The elected members shall hold office from the Tournament Committee meeting at which they are elected until the following Tournament Committee meeting.
4. No person shall serve in any one of the capacities of Chairperson, Vice-Chairperson or Secretary of the Tournament Committee Executive for more than five consecutive terms of office.
5. The Tournament Committee Executive shall be responsible for action in areas concerning the hosting arrangements or tournament rules of current or future Championships falling outside the responsibilities of the Charity or Host, and will focus on key issues through its working groups.
6. The Chairperson shall determine which areas each working group shall focus on and which

of the elected members shall chair each working group.

7. The Tournament Executive Committee may provide interpretation of the Tournament Rules to the Host or Chief Adjudicator of the current or future Championships as and when required.

9. **The Host**

1. There shall be a Host for each debating tournament considered by the Charity to be a World Schools Debating Championship.
2. Organisations may apply to the Charity to be candidates to host the Championship for a particular year.
3. Those organisations meeting the minimum criteria for candidacy, as decided by the Directors, shall be eligible to be chosen as Host for a particular year.
4. That choice shall be made by the Tournament Committee, up to three Championships in advance of the Championship for which the bid is made, according to the following procedures.
 1. If the Directors approve more than one bid, the Tournament Committee shall first vote to select a Final Applicant from among the bids.
 2. If there are more than two bids and no applicant receives more votes than all the other applicants combined, a second round of voting will be held involving the two applicants which had the highest numbers of votes in the first round to determine the Final Applicant.
 3. Once the Final Applicant has been determined, the Tournament Committee will then vote on a resolution that the Final Applicant shall be the Host for the Championship.
 4. If a majority of members voting on that resolution do not vote in favour, no host is selected.
5. Once chosen, the Host has the right to call their debating tournament the World Schools Debating Championship for the year in which it is held.
6. If chosen, Hosts must ensure that their debating tournament complies with these bye laws, the Tournament Rules, and any contractual obligations imposed by the charity.
7. The officers of the Charity may from time to time request information from a Host. This implies neither an oversight role nor responsibility to act on that information.
8. If a Host does not comply with these bye laws, the Tournament Rules, or their contractual obligations, or if the Directors so choose for any other reason, the Charity may withdraw from a Host the right to call their debating tournament the World Schools Debating Championship for a particular year.
 1. For a Championship held in 2014, the Tournament Committee will be asked to consider an electronic ballot as to whether to withdraw the right of the existing host to

call its competition the World Schools Debating Championships. Should acceptable alternative bids be advanced, the Tournament Committee would be asked, in a separate ballot, to consider whether those alternative qualifying hosts should be accepted.

1. Such qualifying bids are to be confirmed by the Directors, as per 9.3.
2. The ballot(s) will be held in accordance with 7.7, with the following modifications:
 1. The reference in 7.7.5 to “three weeks” is changed to “5 days”.
 2. The ballot is only valid if at least two thirds of eligible nations vote "yes" or "no".
 3. The ballot(s) shall be supervised by two independent returning officers, to be appointed by the Directors. A representative of each of the Directors and the Executive will oversee the work of the independent returning officers.
3. Nothing in these bylaws affects the power of the Directors to make any decision they are empowered to make under bylaw 9.8.
